Associate Member of the
American Numismatic Society.

I enclose cheque for \$7.50

Dear Mr. Wood,

I find that I shall be unable
to get to New York before next
month, owing to pressure of work
upon me.

I am wondering if you can
help me in the matter of two Gk.
Coins - recently acquired by the
University - and which I am
unable to run down?

They are as follows:

1) Head of bearded Hercules r. in lion's skin. R. Horse r. within wreath. Under him traces of letters. P 17.0 mill.

∴ Not the same as P.M.E. Macedonia, sp. 171 x 175. The workmanship is much later - certainly post-Alexandrian.

2) ΑΔΡΙΑΝΟCΕΒ Young man head r., radiate R. Inscr. Athena standing r. holding ^{in l.} shield & spear (?) in raised r. A 14.0 mill.

No. 2 doesn't matter so much; but I am very keen to trace no. 1. If you could shed any light, I should be very much obliged.

Yours faithfully,

H. W. Bell.

Dear Mr. Bell:

May I ask whether you would care to consider becoming a Fellow of the American Numismatic Society? The difference in the annual dues is but ten dollars a year. We are endeavoring to select for our Fellows those members who have a real interest in numismatics. Our Fellowship membership is limited to 150 members, and it is only when vacancies occur that we are able to make further selections from our list of Associates.

We should be very glad to welcome you, should you care to consider the above suggestion.

Very truly yours,

Secretary

Dear Mr. Noz,

I find your letter of the 16th awaiting
me on my return from abroad.

Thank you very much for your
suggestion that I become a Fellow of
the Numismatic Society, which I
accept with much pleasure.

Perhaps you would be so good as
to tell me what are the duties of a

Fellow ? or has he any privileges ?!

With many thanks, believe me,

Dear lady,

Dear Mr. Bell:

Your letter is at hand, and I am very glad indeed that you are to become one of our Fellows.

I am afraid that the privileges, as you suggest, are more numerous than the duties of a Fellow. You, however, have been fulfilling some of them by what you have already published of a numismatic nature, and I hope that there will be other publications to follow.

Have you done any additional work on the Byzantine series? Mr. Whittemore, of the Egyptian Exploration Fund, is much interested in these pieces.

If you know of anyone who is interested in this work, please do not hesitate to propose them as Associate Members.

Very cordially yours,

Secretary

Dear Mr. Bell:

It gives me great pleasure to inform you that at the meeting of the Council held yesterday, you were unanimously elected a Fellow of the American Numismatic Society.

The regulations of the Society prescribe that members elected in November, or Associates transferred to the Fellowship class, do not pay dues for the current year, and therefore a memorandum will be sent to you as a Fellow in January next for the year 1926.

Very truly yours,

Secretary
